 - Mentorship
 - Help transition them into a dues paying member

www.ons.org

New Online Platform for Chapter Sites

Quick Summary

- Same platform as new ONS Communities (formerly SIGS)
- Will launch this Fall in conjunction with new ONS database (detailed timeline being worked out)
- Will enable better member networking and communication at the local level

www.ons.org

New Online Platform for Chapter Sites

Key Features

- Real-time Chapter Member Directory
- Single Sign On (SSO) using your ONS Profile credentials
- Manage chapter events, including online RSVPs and payments
- Post and view announcements to chapter members

www.ons.org

New Online Platform for Chapter Sites

What's Next?

- Look for detailed transition timeline shortly
- Review content on your current VC site to determine what should be archived and what should be migrated to the new platform
